Congratulations to Chiltern who are the League Champions although looking at the table you wouldn't think so!

- According to league rules 7b parts 1 & 2 Chiltern win the league as the two are tied on league points
 - 7b - In the event of a tie in league points at the end of the season, this shall be resolved as follows:
 - A table will be compiled taking account only of the matches played between teams involved in the tie. The teams are then placed in accordance with league points gained in this table.
 - In the event of further equality, the difference between the actual points scored and points conceded in these matches will be taken into account.

As Chiltern beat Woking Ladies 1 in their only head to head game (by one point) they are deemed Champions for the first part of the season.
